

## İlayda Korkut, M.Sc.

Research Assistant of Experimental Psychology

İzmir University of Economics  
Department of Psychology  
İzmir, Türkiye

[ilaydakorkut23@gmail.com](mailto:ilaydakorkut23@gmail.com)

<https://orcid.org/0009-0003-5398-471X>

*I am pursuing my master's with the firm intent to make meaningful contributions to our understanding of behavior and the mind while maintaining the excitement and curiosity that marked my initial steps. My research interest lies in numerical cognition, and currently, in alignment with this goal, I am immersed in exploring and examining hemispheric specialization in the processing of magnitudes.*

### Education and Training
