

Elvin Naz Tunç, B. Sc.

M.Sc Student in Experimental Psychology

İzmir University of Economics
Department of Psychology
İzmir, Türkiye
elvin.tunc@hotmail.com

I am continuing my graduate program in Experimental Psychology at İzmir University of Economics. The main subjects of my work have been Mental Number Line (MNL) and SNARC effect in its scope. At the same time, I continue to work on the existence of finger counting habits and embodied cognition on the SNARC effect.
